

# Conservation Education Conference

# REKINDLE THE SPARKS

Rekindle offers educators from Conservation Authorities across Ontario to gather once a year for knowledge sharing, partnership building and sustaining impactful environmental education programs across our watersheds despite growing budget restraints. Help us continue to inspire and empower the next generation to protect natural resources through education.

## SPONSORSHIP LEVELS

### \$750 | PLATINUM

- Sponsorship would cover one key note speaker and full attendance fee for one educator.
- Your company would be recognized during the conference on print materials and orally, on the Watershed Interpreters Network and on the Rekindle website highlighting the sponsorship with your name, logo, photo, and write up.

### \$500 | GOLD

- Sponsorship would cover honorarium, milage and food for guest speakers attending to lead workshops.
- Your company would be recognized during the conference, on the Watershed Interpreters Network and on the Rekindle website with a name, logo and write-up.

### \$250 | SILVER

- Sponsorship would cover attendance fees of one educator.
- Your company would be recognized during the conference, on the Watershed Interpreters Network and on the Rekindle website with your name and logo.

### IN KIND | BRONZE

- Sponsorship items will be given away throughout the conference from active participation and contests
- Your company would be recognized during the conference, and on the Rekindle website with name listed.
